Owner's Message

Parabar Shipping is one of the most experienced (since 1984) and specialized Customs' Clearing & Forwarding (C&F) handling companies in Bangladesh. We possess Government approved Customs Clearing and Forwarding Licenses that enable us to work at different units like in Dhaka Air Freight unit, ICD Kamalapur unit, Chittagong Export Processing Zone (CEPZ), Chittagong seaport and Benapole Land Customs House. Having sufficient and more staff and officers all over the country, we ascertain quality services and sincere one to one support to our clients.

We work with the clients' tangible and measurable solutions for their various work challenges, development and problems. We do not carry ready-made recipes or as for that matter avoid any acts to falsify our clients. As no certain work is identical to each other and so is the challenges of each task, we take time to analyze the situation and tailor it accordingly for our clients support, hence proposing successful implementation to get the work done with acute accuracy.

Our interest lies to serve on your Import & Export functions at Customs point in Chittagong port. Being one of the most experienced firms in the C&F industry with expert work methodology and workforce, we would like to be alongside your companies' success all way to come in the near future. We do our jobs with heart and soul. We will be obliged to you if you kindly select us as your Clearing and Forwarding handling agent so that we can prove your sincerity on top of ours' capability.

Please do call us at your office for any insight details. Will be more than happy and honoured to pay a visit to you.

Thanking you with best regards,

ABOUT US

Parabar Shipping started its business venture nearly 38 years ago, during the early days of January 1984. It was established in the very heart of Chittagong, one of the most prominent port cities in the South-East Asia region. Initially, Parabar Shipping was conceived as a mutual partnership but later during 1995, Sheikh Nazrul Islam claimed the sole proprietorship.

Sheikh Nazrul himself started as a C&F agent. His ingenuity was fueled by his ambition to grow big, sought sights towards initiating a business for himself. His intuition realized the future prospect of C&F in Chittagong and the vacancy of the industry itself that he could exploit to recognize the aspirations he had for the future of Parabar.

From the experience of being a corporate officer and an ambition to cement his position in the C&F industry itself, he has prompted the drastic achievements of Parabar Shipping and guided to this present time. To this very day, he keeps on working intimately alongside his clients and consult them effectively to make the consignment delivery from port to the client's warehouse as smooth as possible.

Since Parabar Shipping's inception, we have been the leading C&F Agent in Chittagong port Bangladesh. Our list of client portfolios includes more than 100+ clientele consisting of both multinational and Bangladesh companies. Our business has been approved for Customs Clearing and Forwarding Licenses that enable us to work at different economic zones inside Bangladesh.
